

Help Us Exhibit in London, April 2018

overcome is a non-profit start-up that helps people who are convinced about Islam, but who hold back from embracing it because of one concern or the other.

We're the only organisation that focuses on "borderline converts" and our work is crowd-funded by everyday Muslims.

Islamic conventions and expos are vital to our crowd-funding efforts because they bring together lots of everyday Muslims in one place at one time. And visitors are delighted to support us when they understand what we're all about.

But that needs us to have volunteers who can engage them alongside us. And if you're reading this, Allah is giving you the opportunity to help us achieve our goals and earn a share in all the good that we do.

And all you have to do is donate your time to be with us at the event, as well as 2 short training sessions beforehand.

- ✓ You'll improve your social skills and build your confidence.
- ✓ You'll enjoy being part of an awesome team.
- ✓ You'll feel the spiritual boost that comes with serving Allah's cause.
- ✓ You'll get free access to the event.
- ✓ You'll get a letter of recognition to acknowledge your support.
- ✓ You'll get to keep your overcome.tv t-shirt as a souvenir.

If engaging strangers is outside of your comfort zone, don't worry. It's the same with everyone. But once we get you going, you won't be able to stop! :D And, insha-Allah, you'll carry this newfound skill with you after the event.

"Our team was like a family and the spirit was amazing. I loved everyone on the team, even though I hadn't met any of them before."

The guys from overcome.tv are really motivated people and their positive vibes kept us motivated throughout. They kept reminding us to purify our intention and kept giving us guidance on how to improve. And I could really see all of the volunteers giving their best."
